## PLATES AND SCALES CATALOGUE

HornImpex offers a premium collection of handcrafted horn and bone plates and scales for knife handles, eyewear frames, and luxury accessories. Each plate and scale is meticulously crafted in Sambhal, India, reflecting centuries-old artisanal techniques. Eco-friendly and sustainable, these plates and scales are export-ready for buyers in the US, UK, EU, Middle East, and Australia. Available in various sizes, thicknesses, and custom designs, HornImpex ensures consistent quality, durability, and aesthetic appeal. Ideal for knife manufacturers, eyewear brands, and luxury accessory businesses seeking ethical, high-quality horn and bone materials.

## **ABOUT HORNIMPEX - TRUSTED BUFFALO HORN AND BONE MANUFACTURER & EXPORTER FROM INDIA**

HornImpex, based in Sambhal, Uttar Pradesh, stands as one of India's most trusted manufacturers and exporters of buffalo horn and bone raw materials and handcrafted products.

As a proud brand of Hornandbonecare, we bring together traditional artistry, sustainable practices, and modern export standards to deliver products that reflect natural beauty and ethical craftsmanship. With over two decades of experience, HornImpex has built a strong global presence, supplying high-quality buffalo horn and bone sheets, buttons, beads, cutlery, jewelry, combs, and décor items to buyers across the USA, UK, Europe, and the Middle East.

Our products are valued for their durability, aesthetic appeal, and eco-friendly nature, making them ideal for wholesalers, retailers, and industrial users. At HornImpex, we believe in creating a bridge between India's artisan heritage and the global demand for sustainable, natural materials.

Each piece we produce is handcrafted from ethically sourced buffalo horn and bone — a by-product of the meat industry — ensuring no animal harm and zero waste during production.

Driven by quality, sustainability, and craftsmanship, HornImpex continues to promote the timeless elegance of horn and bone while supporting local artisans and global eco-conscious trade.
